

Product datasheet:

Adapter LL, LexCom type with label window

Adapters

- can be used in AK2 Data front parts
- for mounting RJ45 modules
- suitable for data modules from LexCom and others

Article number: **AT1987**

EAN: 8712259245379

Packaging quantity: 100

Price group: 250

Dimensions / Form

Product length: 36.5 mm

Product width: 27 mm

Product depth: 10.3 mm

Safety / Properties

Halogen-free: Yes

Features

Labelling window: Yes

Material / Colour

Colour designation: Light grey

The Consolidation Box from Attema makes it possible to install ICT cabling in a flexible manner, because the installation is divided into two steps. The largest portion of the work takes place during the rough construction, at the same time as the other cabling is installed in the building. As a result, you only have to install a small portion of the ICT cabling during the finishing phase. The Consolidation Box complies with the installation standards of EIA/TIA 568A/B, ISO 11801 and NEN-EN 50173.
