

Product datasheet:

Probe

Additional accessories

· Spring 10 m.

Article number: **AT2650**

EAN: 8712259002972

ETIM Product classification:

Detection instrument for tube obstructions

Current supply: Battery

Suitable for pipe diameter: 16.000 - 32.000 mm

With case/bag: No

To make the range of installation material complete, Attema certainly also offers a range of installation aids. In all their diversity they have one thing in common: the same practical Attema quality. Attema has it all. From the spectrum probe for locating obstructions in conduits that occur in concrete walls or floors to a large series of end caps for rigid and flexible conduit. From diagram sleeves to conduit sleeves. From conduit couplers and reducing sleeves to cable fish tapes.
