

Product datasheet:

WS25 Two-way switch white (RAL 9010)

K25/P25 Trunking Accessories

- 10A / 250V with plug-in contacts for solid conductors.
- Consists of base plate with pre-assembled element, cover, rocker operation and mounting hardware.
- Open inlet for flat duct, no separate inlet piece required. Flat duct inlet on other side can be knocked out.
- Integrated stop on base plate for duct and cover.
- Overlaps duct cover by 5 mm. Purely right-angled sawing and sawing to size of the cover is not necessary.
- Knockout in the base plate for rear inlet of duct Ø 16 mm.

Article number: **AT5576**

EAN: 8712259306629

Packaging quantity: 10

Dimensions / Form

Product length: 64 mm

Product width: 64 mm

Product depth: 46 mm

ETIM Product classification: Installation switch

Wiring system: Two-way switch

Operating method: Rocker/button

Assembly arrangement: Basic element with housing top

Number of modules (module system): 1

Push button switch: No

Number of rockers: 1

Mounting method: Surface mounted

Type of fastening: Screw mounting

With mounting plate:

Material: Plastic

Material quality: Thermoplastic

Halogen free: No

Anti-bacterial treatment: No

Surface protection: Untreated

Surface finishing: Glossy

Colour: White

RAL-number (similar): 9.010

Colour of switch operator:
