

Product datasheet:

BK1619 Banula surface mounted frame BKB

Splice junction boxes Universal

- Ideal for cross welding in a tubular battery.
- Increases the welding space.
- Applicable in combination with all BK1619 lids.

Article number:	GD AT1625
EAN:	8712259167930
Packaging quantity:	50

Safety / Properties

Halogen-free:	Yes
---------------	-----

ETIM Product classification: Plaster compensation ring

Levelling height:	
Length:	
Width:	72 mm
Diameter:	
Shape:	Rectangular
With cover:	No
Application:	Central conduit box
Mounting method:	
Extension ring:	

The universal splice junction boxes, types BK16/19 and type LU, with an extensive selection of components, each form a complete system. Both systems include covers with simplex and duplex outlets, with and without an integrated cover. The BK16/19 system also includes a large series of pre-assembled covers with adapters.
