RAL-number:	
With connection cable:	No
Number of socket outlets:	
Number of 3-pole connectors:	0
Number of 4-pole connectors:	0
Number of 5-pole connectors:	0
Outgoing connections with connectors for plug-in building installation:	
Degree of protection (IP):	IP20
Degree of protection (NEMA):	

The universal splice junction boxes, types BK16/19 and type LU, with an extensive selection of components, each form a complete system. Both systems include covers with simplex and duplex outlets, with and without an integrated cover. The BK16/19 system also includes a large series of pre-assembled covers with adapters.
