

Product datasheet:

KC Cable clip for KK raceways 90 mm

Cable ducts Z25 + KK

- Quick and efficient to install.
- For use with and without divider.
- For raceways KK with an external width of 60 or 90 mm.
- Prevents cables from falling out during installation.
- Easily dividable compartments accessible separately.
- Cables can be laid quickly and easily, thanks to pause mode.

Article number: **↗ AT2345**

EAN: 8712259088013

Packaging quantity: 50

Dimensions / Form

Product width: 90 mm

ETIM Product classification: Cable clip for installation duct

Width: 90 mm

Height:

Staple length: Separable

Material: Plastic

Material quality: Other

Surface protection: Untreated

Halogen free: No

Type of fastening: Snap in

With potential equalization:

Suitable for circuit integrity:

Colour: Red

RAL-number:

Attema Cable ducts Z25 and KK are available in sizes ranging from small to large. They are suitable for the well-organized installation of cables, for guiding power cables or for the supply of power to high-quality computer equipment. The cable ducts have a nail hole and a well-designed pre-punched hole pattern for quick, precise positioning of the raceway(s). Installation or modification can be done in the blink of an eye thanks to the cleverly-made parts for securing cables. All the raceways feature solid cover attachment and are available in a range of colours.
