

Product datasheet:

Flat corner FW for KG 110x60 white (RAL 9010)

Cable ducts KG

- Attachment via tabs that fit under the cover.
- Bend overlaps the corner. It is unnecessary to cut perfectly square at exactly the right length.

Article number:	GD AT2420
EAN:	8712259239316
Packaging quantity:	10

Attema Cable ducts KG are suitable for the well-organized installation of cables, for guiding heavy power cables or for the supply of power to high-quality computer equipment. The raceways have carefully thought out pre-punched holes for quick, precise positioning. Divider walls can be installed where necessary. All the raceways feature solid cover attachment and are available in a range of colours.
